Esperanza Viva Mission Trip 2025

All proceeds will support nearly 20 Plainview-Elgin-Millville community members, mostly youth, as they spend a life-changing week providing project support and spreading God's love at Esperanza Viva Orphanage in Pueblo, Mexico.

Living Hope International operates this orphanage and school, which provides a home to more than 100 children who have come from unimaginable circumstances. For more details: <https://livinghope.org/short-term-missions/>
